9192 Topaz Way, San Diego, CA 92123-1119
Tel (858) 654-4100 Fax (858) 654-4110

Applicability: These instructions apply to any industry whose Industrial User Discharge Permit Attachment B, Self Monitoring and Reporting Requirements, includes "Certify stand alone R&D". To report compliance with this requirement, the following statement must be submitted, signed as required in the permit under STANDARD CONDITIONS, **Signatory Requirements**.

R&D CERTIFICATION STATEMENT

This facility performs operations subject to federal pretreatment standards and is a stand alone Research and Development facility. Based on my inquiry of the person or persons directly responsible for processes and/or operations at this facility, I certify that to the best of my knowledge and belief, there has been no commercial sale of products during the previous twelve (12) months and no commercial sale is anticipated. If this facility does initiate sale of manufactured parts for profit, I will ensure that the San Diego MWW Industrial Wastewater Control Program is informed within one week following such a sale. I am aware of the potential for significant penalties for the submission of false information, including the possibility of fines and imprisonment for knowing violations.
